Story Map B

The diagram is a story map titled "Story Map B" inside a large cloud at the top. Below the title, five rounded rectangular boxes are arranged in a circular pattern, each containing a question: "Who?", "What?", "Why?", "When?", and "Where?". Dashed lines connect the boxes in a clockwise cycle: from "Who?" to "What?", from "What?" to "Why?", from "Why?" to "When?", from "When?" to "Where?", and from "Where?" back to "Who?". Additionally, there are three smaller clouds: one to the left of the "Who?" box with a dashed line connecting it to the "Who?" box; one to the right of the "Why?" box with a dashed line connecting it to the "Why?" box; and one below the "Where?" box with a dashed line connecting it to the "Where?" box.
