Busy Book

Name: _____

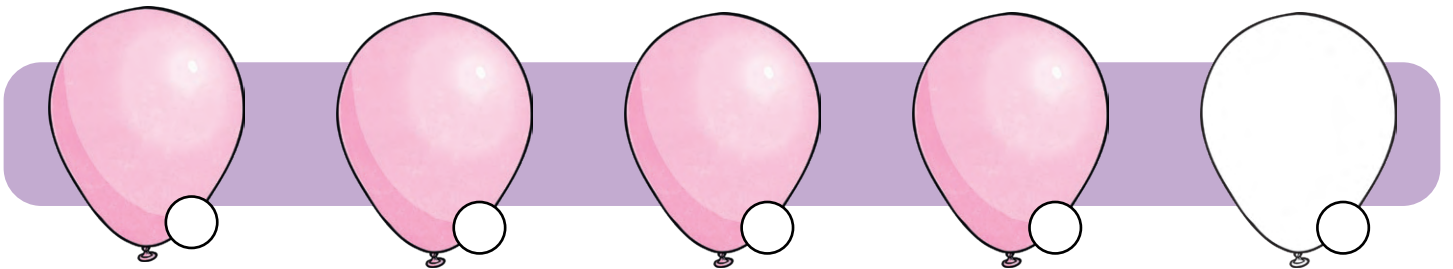

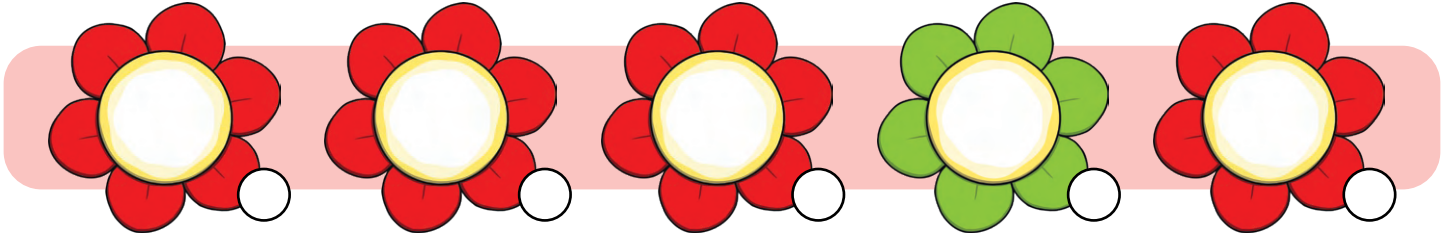

Dino Egg Hunt

Can you match the dinosaur eggs to the right dinosaurs?
Look carefully at the colours!

Odd One Out

Look at the pictures – can you find the odd one out?
Why do you think it's the odd one out?

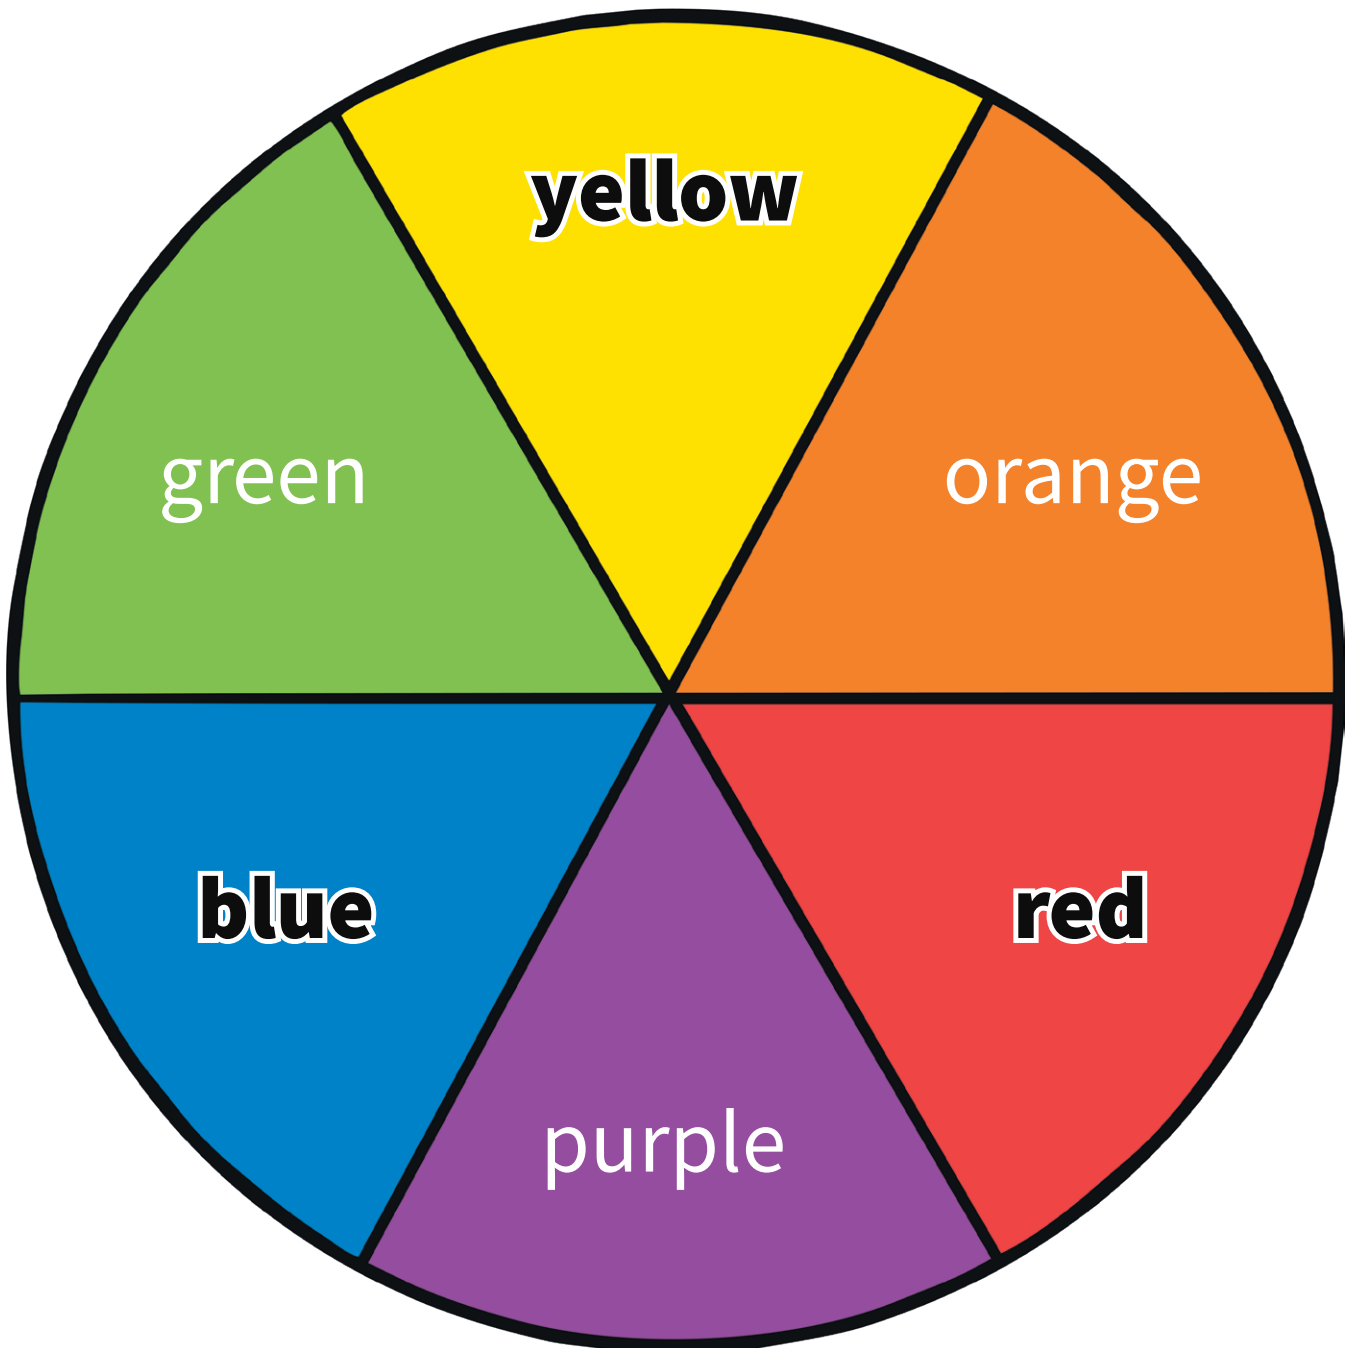

Coloured Crayons

Can you match the coloured crayons?

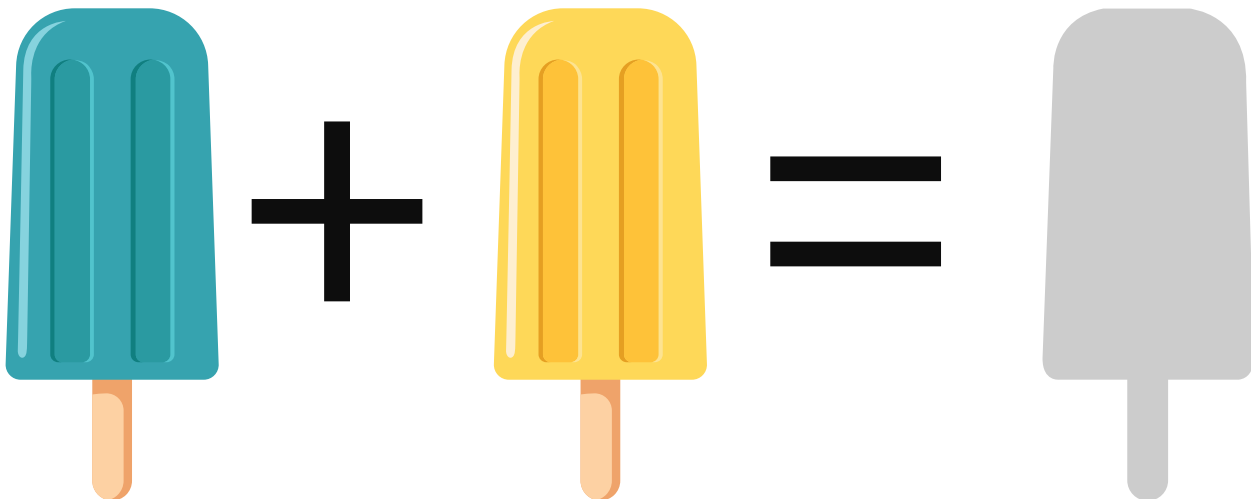

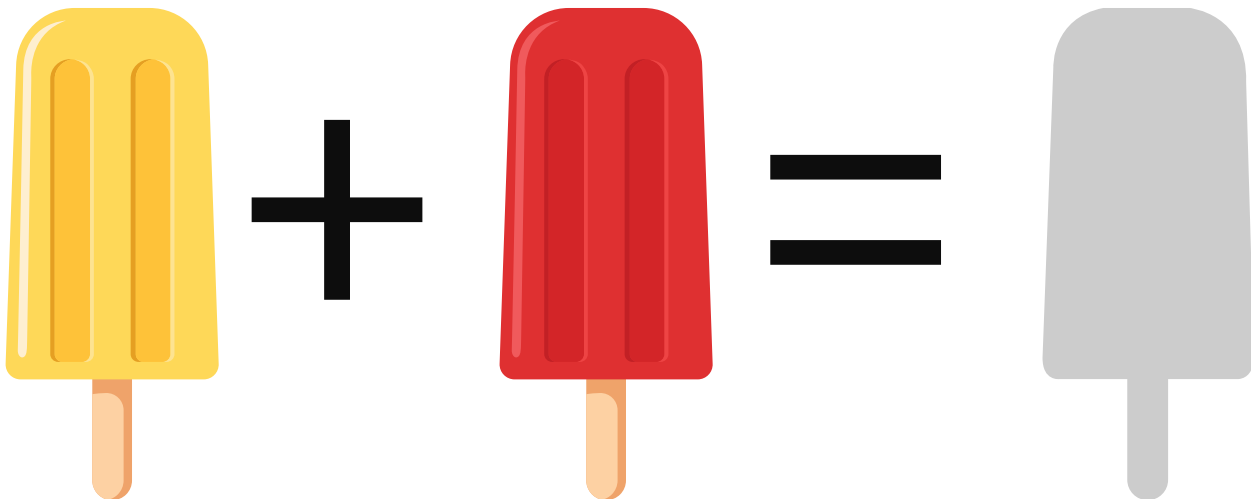

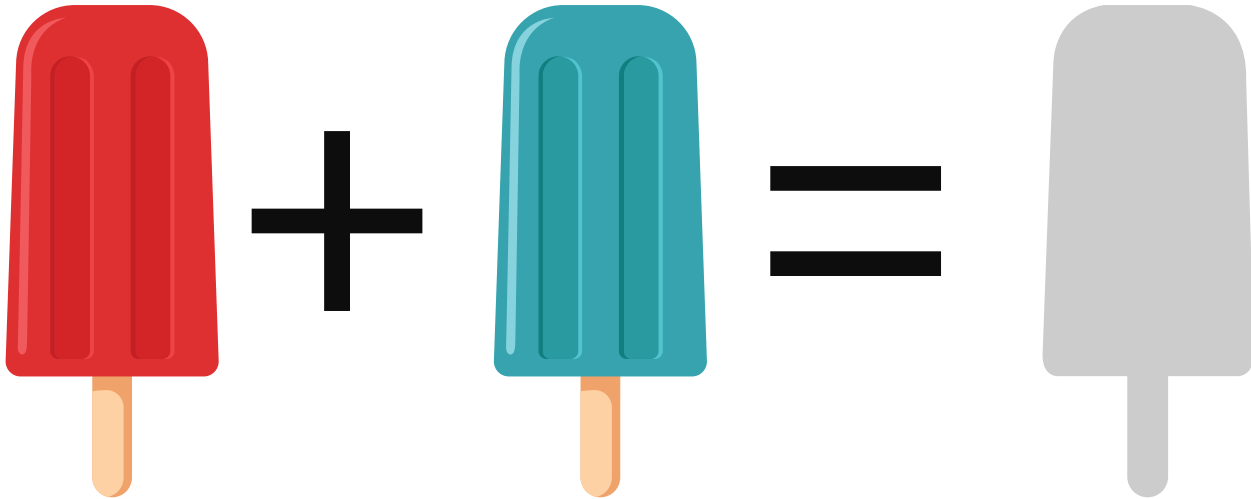

Mix and Match

There are three primary colours – red, yellow and blue. When you mix two primary colours, they make the colour in between them on the colour wheel. Use this colour wheel to help you mix and match the ice lollies!
